HUNGRY PUPS

Bert's December fact:

Dogs dream just like us!

Dogs have the same brain wave patterns while they are asleep as humans, so they dream just like we do.

But what is more surprising is the fact that not all dogs dream the same amount. Small dogs actually have more dreams than big dogs. For example, a small dog such as a toy Poodle may dream once every 10 minutes, whereas a Great Dane may have around an hour between each dream.

- 1 Preheat oven to **350°F / 175°C** (not fan assisted) and line a baking sheet with parchment paper or a silicone baking mat.
- 2 Purée **cranberries** and mix with **apple sauce**. Once combined mix in **milk, cinnamon** and whole wheat **flour** until it forms a dough.
- 3 Knead dough into ball and roll onto a heavily floured surface 1/4 inch thick and cut with cookie cutter of your choice.
- 4 Place on prepared baking sheet and bake for **10 to 15 minutes** or until browned at the edges.
- 5 Cool and refrigerate.
