

GOOD DOG BASICS TRAINING PACKAGE

Ideal for:	Puppies & adult dogs needing foundational skills.
Duration:	5 weeks - Initial 1 hour session, followed by 4 weekly sessions of 45 min.
Format:	One on one training, with owner handover on week 5.
Goal:	Teach your dog the essential manners and obedience skills for a well-behaved companion at home and in public.

PACKAGE OVERVIEW

Your dog will receive five individual, one on one sessions with our experienced and fully qualified trainer. Each session builds on the previous week's training, focusing on clear communication, consistency, and real-life application. The program includes customised handouts, progress tracking, a detailed handover with the owner, and optional support between sessions.

INCLUDED TRAINING MODULES

LOOSE LEAD WALKING

-  Train your dog to walk calmly on a leash without pulling.
-  Use techniques such as "stop & go," redirection, and reward zones.
-  Real-world practice in neighbourhood or park settings.

GATE & DOOR MANNERS

-  Train your dog to wait patiently at gates, doors, or thresholds.
-  Prevent door-dashing and promote calm transitions.
-  Practice using cues like "wait" and "release."

RELIABLE RECALL

-  Build a strong recall using games, long leads, and high-value rewards.
-  Progress from low-distraction to high-distraction environments.
-  Establish a positive association with coming when called.

POLITE GREETINGS (NO JUMPING)

- 🐾 Replace jumping with calm sits or four-paws-on-the-floor greetings.
- 🐾 Teach impulse control around visitors and new people.
- 🐾 Use consistent protocols for you and your guests.

OBEDIENCE FUNDAMENTALS

- 🐾 Sit, Down, Leave It, and Watch Me – taught with clear cues & hand signals.
- 🐾 Build automatic focus and response to basic commands.
- 🐾 Teach impulse control through structured exercises like 'stay' & 'wait for food'.
- 🐾 Build focus with a target stick that can be developed into further tricks.

WEEK 5: OWNER HANDOVER SESSION

- 🐾 Review all skills and games introduced.
- 🐾 Demonstrate handling, reinforcement, and progression tips.
- 🐾 Provide custom guide for continued confidence work at home.

BONUS – DEPENDING ON PROGRESSION: Impulse Control Games & Mental Enrichment

- 🐾 "It's Your Choice" and "1-2-3 Treat Game"
- 🐾 Introduction to food puzzles and calm-focus activities.
