HOW LONG HAVE YOU WORKED AT R&B'S?

Since January 2024

WHAT IS YOUR ROLE WITH RAGS & BERT'S?

Daycare and Kennel Assistant

DESCRIBE A TYPICAL DAY

Welcoming the dogs, preparing breakfast for boarders, cleaning the kennels, playing with the dogs, cuddling at naptime, fun enrichment activities, more cleaning, more playing & cuddling.

WHAT IS THE BEST PART OF YOUR JOB?

I would say seeing friendships form and watching the dogs light up when their bestie arrives. I also love to see a dog come out of their shell if it's their first time in a daycare/boarding environment. They go from shy & nervous to zooming around & loving life.

WHAT IS THE WORST PART OF YOUR JOB?

Picking up poo and rainy days.

WHY DO YOU LIKE WORKING AT R&B'S?

Nothing makes me happier than dogs.

YOU RECENTLY WENT TRAVELLING AND TOOK  
AT BREAK FROM R&B'S. WHAT YOU DID?

I volunteered at a dog sanctuary in Thailand. I fed & took care of strays in the sanctuary & around the island. Each morning, I would take a small group of dogs on my own into the jungle, off lead, & they would chase venomous snakes! It was a very intense but incredible experience.

WHAT IS YOUR FAVOURITE BREED OF DOG?

I love mixed breeds because they combine the best traits of multiple dogs into one.

WHAT DO YOU DO WHEN YOU ARE NOT AT WORK?

I love being in nature, going for walks, cycling. I also love live music and having a dance.

WHAT IS YOUR BIGGEST ACHIEVEMENT?

Probably volunteering in Thailand. It was very rewarding.

WHAT IS YOUR FAVOURITE FOOD?

I could eat pasta for every meal.

WHERE IS YOUR IDEAL HOLIDAY DESTINATION?

Somewhere in the Caribbean.

WHAT 3 THINGS WOULD YOU TAKE TO A DESERT ISLAND?

Music, a book, toothpaste.
